EASY-GOING ENJOYMENT
ALFRED MANK GLAS COVER CAPS

IMAGE ON TH

Summer time: Enjoy your time in the beer garden or on the terrace. But nothing can spoil your good mood more than wasps, hornets etc buzzing around your drinks. An uncovered glass and a careless sip of your drink could quickly lead to a life threatening situation, all because of a troublesome insect.

Alfred Mank Glass Cover Caps protect uncovered drinks from insects, falling leaves, dust, dirt and germs in a hygienic and decorative way.

Show your guests how important they are with this exemplary service. Beer mats are often used for other purposes, this is unhygienic and of course unhealthy.

Alfred Mank Glass Cover Caps are available in many sizes, from ø 55 - 105 mm.
