IMPRESSIONS

Details that your guests fondly remember are often small things. For example, a teapot holder made of soft tissue to protect your fingers from the heat of a silver coffee or teapot. Or an egg cosy bearing a friendly morning greeting from room service. Ways of demonstrating that you place importance on special service.

Alfred Mank. Small details that make big impressions.

Nicest as a complete series – individually designed teapot holder, egg cosy and coaster

All Alfred Mank tissue accessories are available with special finishes – hot foil printing in gold and silver as well as with various decorative borders.

INDIVIDUAL
EXCLUSIVELY PRINTED AND DESIGNED
ELEGANCE

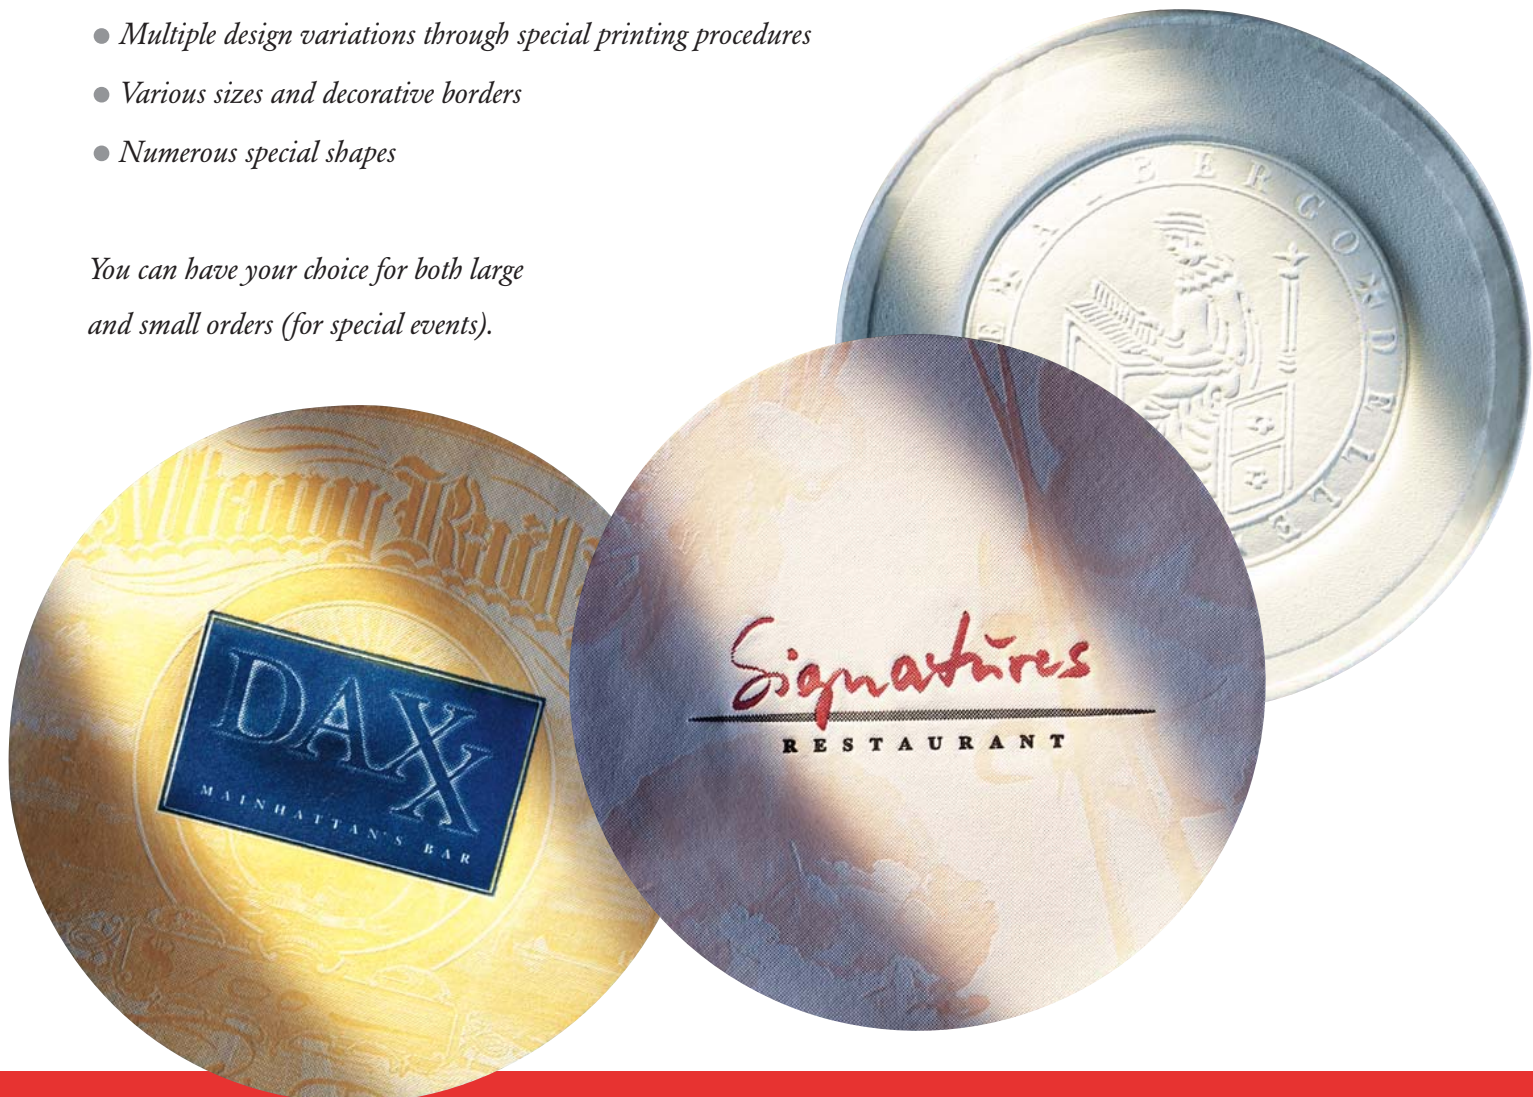

Plate doilies and coasters – in various styles and shapes made to meet your wishes.

Tasteful style begins with the details. Whether as coasters, teapot holders or egg cosies – Mank tissue accessories can turn even useful things into prestigious visiting cards for your company. We offer you a wide range of possibilities for your individual appearance:

- *A wide range of qualities, from single-ply to multi-ply, white or coloured*
- *Multiple design variations through special printing procedures*
- *Various sizes and decorative borders*
- *Numerous special shapes*

You can have your choice for both large and small orders (for special events).

Alfred Mank. That special something.

Large orders at Alfred Mank pay off. We can offer multi-ply coasters in durable flexo printing – the borders are embossed, the logo is not embossed. Make use of the price and quality advantages!
